Chris,

As requested, please find attached a list of questions for Loreen and Hans with respect to the laboratory services project agreement. I also attach a draft of the Covance Master Agreement. Please note that I have left a placeholder in the draft Master Agreement for the language we discussed regarding standards of performance for study protocols. I would like to discuss that language with Arthur before providing a draft of it to you. I also am preparing a draft of the project agreement for protocol development. I will forward that draft and the language for the Master Agreement to you as soon as possible.

Have a good weekend.

Best Regards,

Will
